**General Info: evian® Fringe Benefit Gift-with-Purchase**

This long-kept secret of skin experts, fashion experts, models and make-up artists is the must-have essential for the on-the-go lifestyle.

The 10 oz. canister is economical for those who use evian® as part of their daily regime or on multiple clients. The slim can is easy to hold, elegant enough to place anywhere, the super-fine mist of this mineral rich, pure, natural spring water from the French Alps penetrates deep to replenish lost moisture-- so it helps hydrate the outer layers of the skin. The Brumisateur moisturizes, tones, and blends makeup. The results? Skin that looks young, healthy, revitalized - naturally beautiful. What's more, The Brumisateur dramatically improves the performance of any skin care or color cosmetic product.

And now, for a limited time, receive the 1.7 oz. travel-size spray (TSA approved for air travel) as a gift with a purchase of the professional size 10 oz. evian® Facial Spray. A \$25.50 value for \$18.00.
